THEFT LIFTS LINCOLN

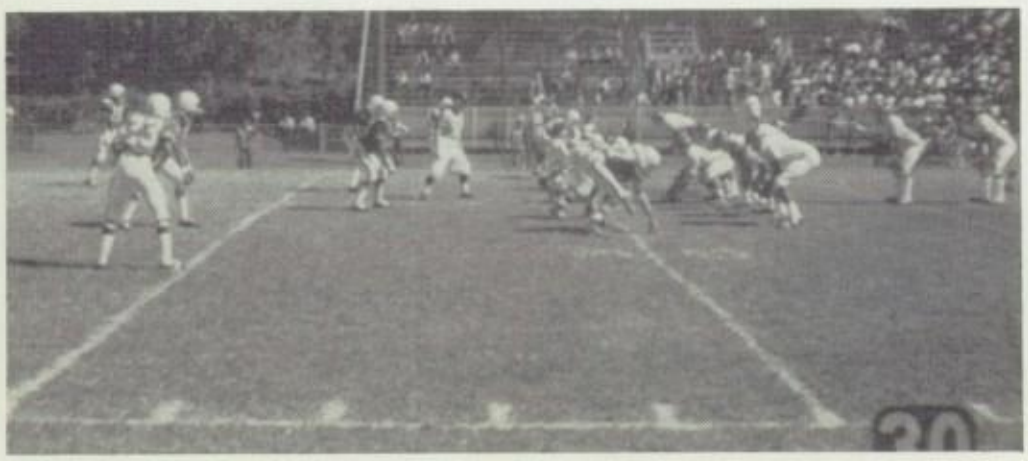
Sparked by a 101-yard run with an intercepted pass by George King, Lincoln High edged Van Horn and retained its share of first place in the Interscholastic League.

King's third-quarter spring overcame a first-half Falcon TD by quarterback Rowland Fowler.' Lincoln, 3-0 in the league, is 4-1 for the season.

LINCOLN TIPS
CENTRAL LATE

Kevin White sneaked over from the one-yard line with 1:06 left yesterday to pull Lincoln to a 12-6 Interscholastic League victory over Central at Southeast.

The Blue Tigers, who were shut out until the last quarter, got possession when the snap from center was low and Donnie Epperson was unable to get off a punt. He was tackled by Randy Cason on the 12 and four plays later White went over. Central apparently came back to score on an 18-yard pass play that started with four seconds left. But a back was in motion, and the touchdown was nullified. That ended the game.



LINCOLN RALLIES
IN SECOND HALF

Lincoln overtook Manual with a pair of second half touchdown runs by Kevin White that enabled the Blue Tigers to notch a 24-14 Interscholastic League football victory last night at East Field.

Lincoln came back late in the third period when White culminated a 60-yard drive by plowing over from the 1-yard line. James Bonds, who scored the Blue Tigers initial touchdown, set up their clinching TD with a 5-yard interception return to the Lincoln 45 and five plays later galloped 45-yards to the Manual 6. White bulled his way in two plays later.

Lincoln High School

Administration

Percy M. Caruthers, Principal

To The Graduating Class of 1971

You are to be complimented for your strong vision and desire that have propelled you in the last four years to your graduation from high school. Many of your classmates four years ago are not as fortunate as you in completing high school. You have kept the faith of your parents, relatives and teachers by reaching your educational goals. Now, you must carve out your niche in the community of your choice.

You must develop your saleable skills to the maximum, so that your future career will be secure and profitable. Our competitive society will demand the best from you. Many of you will enroll in colleges and universities - others will enter directly into the labor market and job-training programs. All of this will insure a career for the future. I only admonish you to keep the faith and let nothing interfere with your established objectives. Best wishes and happiness in the years ahead. Lincoln High School has been made richer by your stay here.

Dear Sir, I am writing to you to ask if you would be kind enough to let me have a job as a Clerk in your office. I have been unemployed for some time and am very anxious to get work. I am willing to do any kind of work that you may have. I am strong and healthy and can work hard. I have had some experience in office work and can type and write shorthand. I am willing to start at any wage you may think fit to pay me. I shall be glad to hear from you at your earliest convenience. I am, Dear Sir, Yours faithfully, [illegible]
